Re: Freedom of Information Act Request

Dear Ms. Albano:

Pursuant to the Freedom of Information Act, 5 U.S.C. §§ 552 et seq., and regulations thereunder, I hereby request that you make available to me all records from 1970 to 2004 related to: (1) any permits that the U.S. Environmental Protection Agency issued to the St. Louis Metropolitan Sewer District ("MSD") for the disposal of sewage sludge in landfills in North St. Louis County, Missouri and (2) any documents pertaining to disposal of sewage sludge containing radionuclides in North St. Louis County landfills (including, but not limited to, disposal by MSD), as well as any monitoring reports, studies, or other documents containing information on radionuclides present in the sewage sludges or discharges.

I request that the records responsive to my request be copied and sent to me at the address above. This firm agrees to pay any reasonable fees and costs incurred for locating documents for review, in addition to any subsequent costs for duplication, but please let me know in advance of any search or copying if the fees will exceed \$500. I would be happy to discuss the scope of this request with you and to assist in identifying responsive documents. If you have any questions regarding this request, please do not hesitate to contact me at (609) 919-6662.

Sincerely,

Su Jin Kim
